

**Keeps getting better:** Kit Glover at the luxury dive resort in Dubai.

## Institute has a sea of opportunity

**W**ILLIAM Angliss Institute graduates are making it big in their chosen fields. Here are two:

### **KIT GLOVER**

**Course:** Diploma of Resort Management (Dive).

**Current role:** dive instructor, Atlantis (Dubai, UAE).

**He says:** I have the most amazing job at a five-star luxury dive resort in Dubai. I'm a dive instructor and boat operator and outclassed 350 other applicants to get the job.

The resort has dolphins, sharks, and also a whale shark and I work with all these animals. I teach dive courses and the opportunities for my career to

advance are incredible. It just keeps getting better.

I certainly owe credit to everyone at William Angliss and the crew at Aquatic Adventures who have helped me get to where I am. Thank you to everyone.

### **BIANCA SILIPO**

**Course:** Advanced diploma of Hospitality.

**Current role:** owner/manager, The Little Café (Healeys Lane, Melbourne).

**She says:** I own a cafe, only half a block away from William Angliss Institute in the CBD called The Little Cafe on Healeys Lane.

I'm trying everything I can to get

customers in the door and to make sure that they have the best experience possible by providing good food, good service and good coffee.

I also offer a discount to William Angliss Institute students and staff.

Completing the course and further study helped me immensely. It made me think differently. It taught me how to work with other people, to think about different scenarios and situations which I may not have known how to deal with or thought about had I not completed my course at William Angliss Institute.

My studies created a solid base to help me get to where I am today.
